

KIM'S KORNER...

Thank You!!!

Thank You!!!

Thank You!!!

Thanks to each and every musician who helped make the music of Advent and Christmas extra special! You are all a blessing in my life! It is true "hoot" to work with such dedicated and talented people!

To the Ocean Chimers...

I am so proud of your courage in participating in your first official concert. You did a great job!

To the Chancel Ringers...

Each time you perform you keep getting better and better. Your proficiency is just incredible and is not far from that of the Raleigh Ringers!!! It is a true joy to be your director! Your music was in a word...FABULOUS!!!

To the Adult Choir...

The Christmas Cantata was absolute beautiful! I've watched your musical skills develop and we're now at that point where we can soar as a choir. You are now capable of great music! We have a bright exciting future ahead of us filled with fantastic music. As your director, I can't wait to expose you to more and more wonderful music. My favorite phrase is: "So much music, so little time!!!"

To the Instruments & Soloists...

You are the ones who play instruments in the background which truly enhance the music offered to God. It is a privilege to work with each of you. For the soloists, thank you for your willingness to sing the songs I pick out for you.

For those in this congregation who truly know in their hearts they do have a little bit of hidden talent, I not only encourage you to join one of the choirs, but I asked you to consider giving just a little of your time and talent back to God. Even if you're here only part of the year,

you can still participate. Not only do we need you, but God needs you to be a witness for His ministry.

Thiel College Choir

returns to SOS on ...

Thursday, March 4, 2010

After many years, this wonderful choir will be returning to our church for a concert in the Spring of 2010. We will be both feeding and housing the choir. Since they will be staying overnight, we will need church members to assist with housing these college students and chaperons. If you are able to assist with food preparation or housing, please call the church office and place your name on the "housing list" or "food list."
